

REMARKS

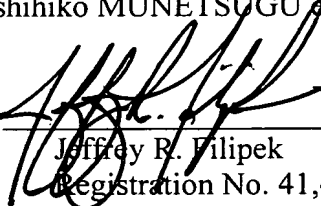

The above claim amendments are presented in order to remove multiple claim dependencies, so as to reduce the required filing fee.

Corrected drawings are filed herewith under a separate cover letter. In the corrected drawings the following changes have been made: Fig. 14 is amended to change the reference numeral of the "terminal" from the incorrect "104" to the correct "114," and Fig. 31 is amended to change the reference numeral of the "storage unit" from the incorrect "426" to the correct "406."

Respectfully submitted,

Toshihiko MUNETSUGU et al.
